The information, and form below, apply only to UK taxpayers.

As a charity, the Group may reclaim from the Inland Revenue the basic rate income tax you have already paid in respect of income from which you have paid your annual subscription or other donation, if you complete and return this declaration to the Group's treasurer.

Please read these notes carefully before completing the declaration:

1. Complete the declaration only if you do not intend to claim tax relief on your subscription or donation as an expense relating to your employment.
2. You must pay an amount of income tax and/or capital gains tax (including tax you may pay on your savings) a least equal to the tax that the Society reclaims on your payments in the tax year (currently, 28p for each £1 you give).
3. If in the future your circumstances change and you no longer pay tax at the level defined in note 2, you should cancel your declaration by notice to the Society.
4. If you pay higher rate tax, you may claim further tax relief on your Tax Return.
5. Please notify the Group if you change your name or address.
6. You should keep a record of this declaration and the payments under it, and report them on your Tax Return.
